

## **Description of the competition/exhibition venues for EUROPA CUP 2011**

The competition EUROPA CUP 2011 takes place at three venues. During the competition time 3 tasks will be made (on Friday 2<sup>nd</sup> of September 2011) inside the main working / exhibition area of the **“SLAVIA” Municipal Sports Hall**, 1 task (on Saturday 3<sup>rd</sup> of September 2011) outside at the **Republic square** and 2 tasks (on Saturday 3<sup>rd</sup> of September 2011) on the stage during the final gala-evening ceremony at the **Petr Bezruč Community Centre** in front of audience. All working / exhibition places will be marked with a number and the name tag of the relevant competitor. Competitors will draw their numbers on Wednesday 31<sup>st</sup> of August 2011.

In the “SLAVIA” MSH each competitor will be provided with fully equipped competition / exhibition booth placed in the large contest hall (for more details see the Competition booth design description) and a storage room with basic equipment. One large storage room will be shared by two competitors.

**Equipment of storage room:**

- 2 tables 80 x 80 x 90 cm
- 1 bench
- access to water

There will be competition / exhibition site (dimensions: 3 x 2.5 m) at the small side hall of the “SLAVIA” MSH. Black rubber squares will be put on the floor. The site for each competitor will be marked by a silver tape on the rubber squares.

**Equipment on site at the small side hall:**

- 1 large waste bin (c. 80 cm high)
- 2 railing stand with the ribbon
- 1 electric outlet 220 V, e.g. for the glue gun and such (800 Watt)
- 1 stand with name plate with the size of 33 x 44 cm, laminated print

**Fig. 3 – Name plate for the competition / exhibition site at the small side hall of “SLAVIA” MSH**

**Important notes:**

- On Wednesday 31<sup>st</sup> of August during unloading time competitors should bring their own trolleys if required, but these must fit into doors with dimensions of 2 meters height and 2.78 meters width as maximum!
- Cooled storage is not available in the competition / exhibition area!
- Power supply will be provided.
- No open fires (e.g. candles, etc.) in the “SLAVIA” MSH!

## Venue B: The Republic square

At the Republic square the contest area (3 x 3 meters) for each competitor will be clearly indicated. In the event of bad weather conditions, each competitor will have a party tent available. Name plates for the competitors will be laminated print (in size A4).

### Important notes:

- All materials for tasks No. 4 will be ready on the place.
- No power supply will be provided!

## Venue C: Petr Bezruč Community Centre (PBCC)

In the Petr Bezruč Community Centre each competitor will be provided with a total space of approximately 2 x 2 m which will be clearly marked by the number of the relevant competitor. The floor on the stage will be covered with black carpet with foil underneath.

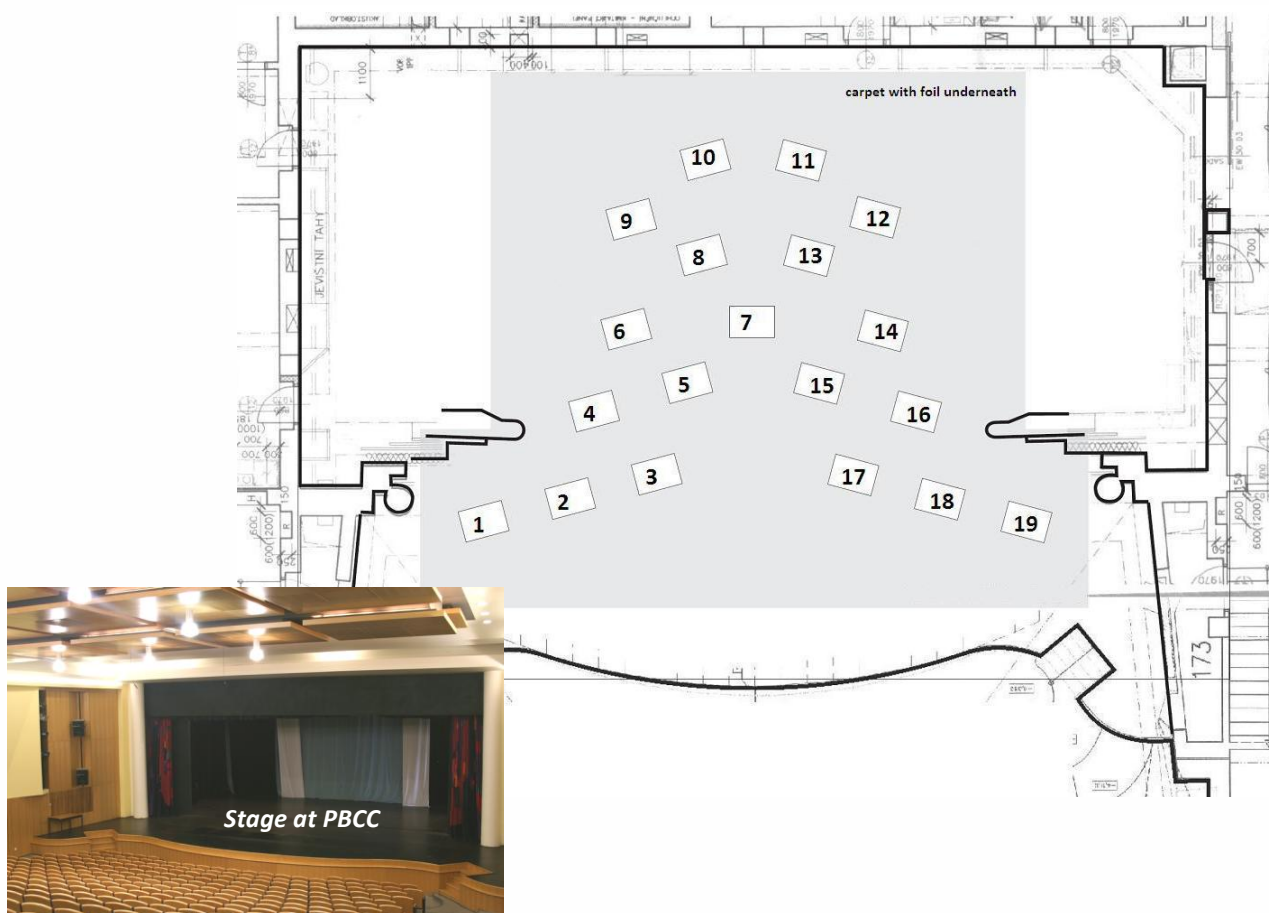

### Equipment on stage:

- 1 workbench with the size of 100 x 70 cm, height 90 cm. Basic construction is made from the OCTANORM® Exhibition system. Upper desk, one shelf inside and forefront are made from white laminated chipboard.
- Starting numbers (black foil, height 40 cm) of all competitors will be placed on forefront of the workbench.
- 1 waste box.

### Important notes:

- All materials for tasks No. 5 and 6 and toolbox also will be ready on the stage.
- No power supply will be provided on the stage!
- No open fires (e.g. candles, etc.) in the PBCC!
